Great. After intros we'll go through WBs comments for about 30 minutes and then use the remaining time for CalGEM's additional input.

Vincent, please let us know if you have other thoughts about the agenda.

Thanks,  
David

That's fine with me, John. Do you have a sense of how much time it might take to go through the WBs comments? Just a rough estimate? Thanks, David

Thanks. I would like to recommend we start with WBs comments first, then shift to the remaining CalGEM items.
